October Newsletter

Welcome fall! Welcome October! School is going well for all students, they are slowly getting used to the routine and having fun. We would like to remind everyone that it is important to call the school if your child will be absent (902-798-3280). Please continue to ensure that your child has the appropriate clothes for outdoor play, in any weather and is dressed to be able to fully participate in their day of; learning self-care, play, getting messy, crawling, sitting, climbing in the classroom and the gym and outdoors! Our parent meeting was held September 27th and the minutes are posted on the parent bulletin board. You are encouraged to check the listed for volunteering and sign up, as it is a vital part of the WNS Parent Co-op. Thanks!

Thanksgiving is October 9th – the WNS is closed. Happy Thanksgiving Everyone!
